

## Instructions for opening lolipop

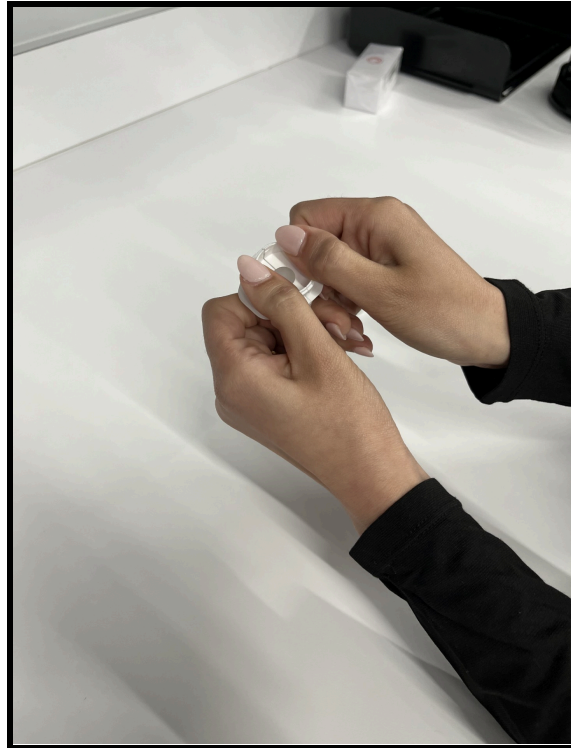

STEP 1a: Push down on the cap and twist counterclockwise while firmly grasping the lolipop mold.

STEP 1b: Remove cap by lifting off once locking mechanism is open from step 1a.

STEP 2a: Place each thumb firmly on either top side of the mold.

STEP 2b: Continue to press thumbs firmly down into the mold and pull from either side to break apart the mold.

STEP 3: Gently remove the lollipop from the mold by lifting the lollipop from the stick out of the mold.
